Technical, frameworks & domain knowledge:

- .NET Core, postgresSQL, mongoDB, ReactJS, React Native

Responsibilities:

- Handle all most work in backend side, support other people in team in frontend and mobile side.

Senior Developer • Eton • 04/2016 - 07/2019

Build web application for the company: Fulfilment management FFM.

Feature of FFM

- Flow Inbound : PurchaseOrder management, Receive, Putaway, Inventory management
- Flow Outbound: SaleOrder management, create & assign PickList, Picking, Packing, Handover, Inventory management
- Flow Transfer from warehouse to warehouse
- Flow Cycle count
- Flow QC Return
- Flow PO Crossdock.

Technical, frameworks & domain knowledge:

- .NET Core, MSSQL, Html, jQuery

Responsibilities:

- Handle all most work in backend side, support other people in team in frontend and mobile side.

Senior Developer • Thaco Group • 03/2015 - 03/2016

Projects:

- Build web application for the company.
- Progress Product Management
- HR Management.

Technical, frameworks & domain knowledge:

- .NET Core, MSSQL, Html, jQuery

Responsibilities:

- Handle most work in backend side, support other people in team in frontend side.

Web Developer • Thaco Group • 04/2013 - 02/2015

Projects:

- Maintain – update internal websites and web application for the company (thuvienphapluat.vn)

DANG QUANG TIEN

- Build new website phapluat.vn

Technical, frameworks & domain knowledge:

- .NET Core, MSSQL, Html, jQuery

Responsibilities:

- Handle most work in backend side, support other people in team in frontend side

Junior Web Developer • DiaDiem.com • 10/2010 - 02/2013

Projects

- I have change a study a lot of new skills and experience when working there after graduated from the university
- Maintain + updated web application for company
- Build api web diadiem.com

Technical, frameworks & domain knowledge:

- .NET Core, MSSQL, Html, jQuery

Responsibilities:

- Handle most work in backend side, support other people in team in frontend side

DANG QUANG TIEN

EDUCATION

ENGINEER • APTECH Certified Computer Professional

ENGINEER • Ton Duc Thang University
