NGUYỄN HÀ MINH HUY
Web Developer

📞 ▓▓▓▓▓▓▓▓▓▓▓▓ 📍 **Ben Luc District, Long An**

ABOUT ME

With over 5 years of experience in PHP/Laravel and 3+ years in VueJS, I specialize in developing scalable, high-quality software solutions that drive business success. I am eager to join an English-speaking environment to refine my communication skills and would be excited to contribute to projects involving AWS technologies. My long-term goal is to advance into a technical lead role, where I can leverage my expertise and leadership to deliver impactful, innovative solutions.

WORK EXPERIENCE

PASCALIA ASIA VIETNAM
Internship ———————————————— **03/2019 – 06/2019**

- Conducted research and developed new features for the company's internal tool website, utilizing ReactJS and Flask.
- Maintained the website by ensuring stability and functionality while addressing and resolving reported bugs efficiently.

BIGIN JSC
Middle Web Developer ————————— **07/2019 – 11/2023**

- Worked in an Agile environment with daily Scrum meetings to ensure collaboration.
- Collaborated with designers, business analysts, and project managers to capture and refine requirements for functional project elements.
- Built domestic websites using Botble CMS (e.g., citigym.com.vn, chohoatuoi.vn, nutifood.com.vn, thoitrangkhatoco.vn).
- Developed full-stack web applications for relocation and booking across multiple portals using Laravel and VueJS (e.g., newarcportal.com, agoyu.com).

Typical Project
Relocation Web Application (9 members)

- **Description:** Managed the entire relocation process across 5 portals, integrating 20+ services.
- **Technologies**: Laravel, VueJS, Python, Node.js, Docker, Langchain, PostgreSQL, Gitlab CICD, EC2, RDS, S3, Lamda, SES, Cloudflare,...
- **Key Contributions:**
  - Designed and optimized database queries; upgraded PostgreSQL (8.x to 14.x) and Laravel versions (5.x to 8.x).
  - Implemented web scraping to collect and store data from external websites.
  - Developed a multi-language feature for legacy code to enhance accessibility.
  - Integrated advanced third-party tools like DocuSign, JotForm, QuickBooks, create Chatbot from ChatGPT and FAISS,...
  - Created Laravel Lumen microservices for automation tasks, including export, crawling, and smart task management.
  - Contributed to core modules such as invoicing, billing, order management, customer field, template, survey, reporting,...

RIVERCRANE VN
Senior Web Developer ———————————— **11/2023 – Current**

- Designed the core structure of websites, covering frontend and backend, ensuring scalability, maintainability, and teamwork.
- Guided team members by providing technical direction, reviewing code, and sharing best practices.
- Researched and implemented emerging technologies to enhance system capabilities.
- Integrated third-party tools and APIs to extend system functionality.

Typical Project
Webike eCommerce (6 members)

- **Description:** Developing and enhancing a multi-national eCommerce platform using Laravel 10, referencing legacy Java code for business logic, with a focus on rapid deployment across countries.
- **Technologies**: Laravel, MySQL, ElasticSearch, Kafka, Jenkins, Docker, Harbor, Kibana, Redis, Memcache, Similar Search,...
- **Key Contributions:**
  - Developed core modules from scratch, including cart, order, payment, quotation, authentication, warehouse, and shipping.
  - Researched and implemented solutions for Progressive Web Apps (PWA), Image Search, and Chatbot integration.
  - Built APIs and features to support multi-national operations with localization and multi-currency capabilities.

EDUCATION

POST AND TELECOMMUNICATION INSTITUTE OF TECHNOLOGY

Software Technology GPA: 3.2/4.0

2015 - 2019

SKILLS

- PHP, Laravel, Botble CMS
- VueJS, Javascript, Bootstrap
- OOP, MVC, Design Patterns
- MySQL, PostgreSQL
- Git, Docker, AWS, Jquery
- Figma, Photoshop, Jira, Redmine
- Teamwork
- Effective Communication
- Critical Thinking
- Problem-Solving

LANGUAGES

- English B1 (intermediate)

CERTIFICATE

- AWS Certified Cloud Practitioner
- Java at BHK Training Center
- Laravel at Khoa Pham Training Center
